

Thermal fixing of multiple holographic gratings in magnesium oxide doped lithium niobate crystal: erratum

Seung-Woo Yi, Sungdo Cha, and Seung-Ho Shin

Department of physics, Kangwon National University, Chunchon, 200-701, KOREA

In our recent paper[1], one of informations was incorrect. The project number "9604018" in the acknowledgments on p.22 should have read "961-0206-032-1."
