

Fig. 1. Seasonal Changes of main stem length for plant types under Vinyl-mulching

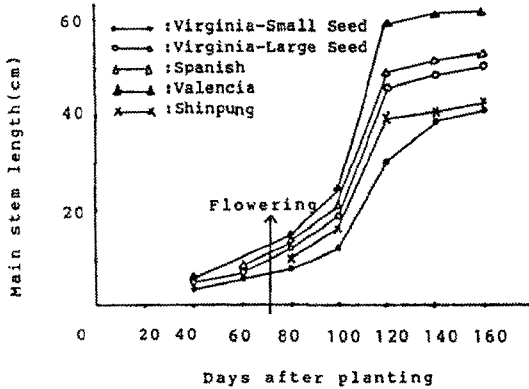

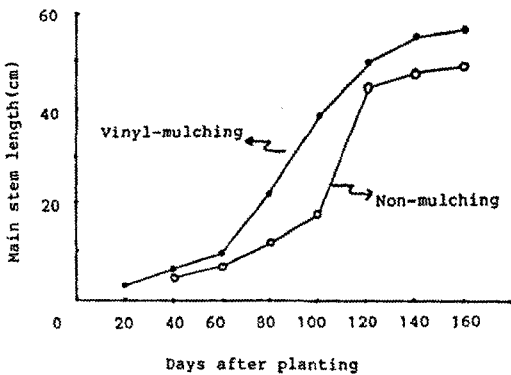

Fig. 2. Seasonal changes of main stem length for plant types under non-mulching

g. 3. Seasonal changes main stem length for plant types under Vinyl- and Non-mulching.

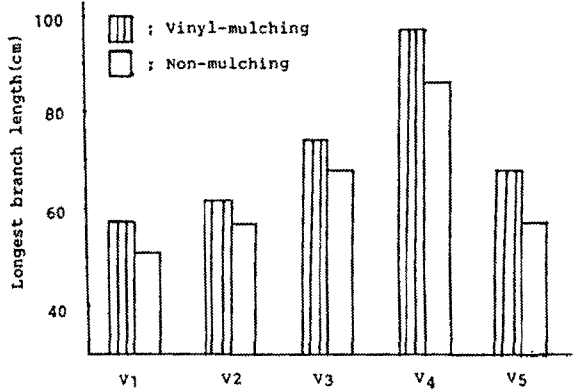

Fig. 4. Comparison of longest branch length for plant types under Vinyl- and Non-mulching.

V1 : Virginia-Small seed V3 : Spanish  
 V2 : Virginia-Large seed V4 : Valencia  
 V5 : Shinpung

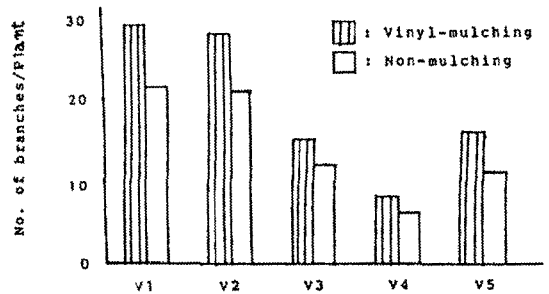

Fig. 5. Comparison of number of branches for plant types under Vinyl- and Non-mulching.

V1: Virginia-Small seed, V3: Spanish  
 V2: Virginia-Large seed, V4: Valencia  
 V5: Shinpung

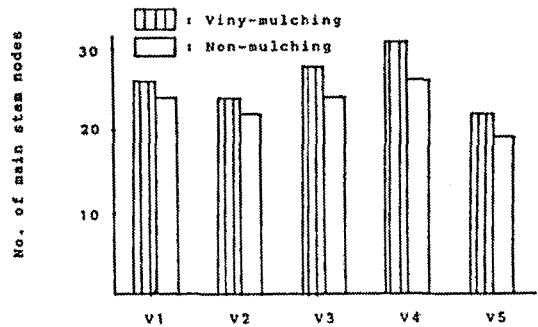

Fig. 6. Comparison of no. of nodes on main stem for plant types under Vinyl- and Non-mulching.

V1 : Virginia-Small seed, V3 : Spanish  
 V2 : Virginia-Large seed, V4 : Valencia  
 V5 : Shinpung
