

技術情報資料

美國 레미콘 協會의 技術情報資料가 當協會
에 到着되었으므로 本資料를 利用할 會員社는
企劃課에 問議하시기 바랍니다. (編輯者註)

Publicaion Number	TITLE
ENVIRONMENT	
Pub. 116	<i>Disposal of Truck Mixer Wash Water and Unused Concrete</i> , by R. C. Meininger, December, 1964.
Pub. 139	<i>An Update of Methods Los Angeles County Operators are Using to Meet Air Pollution Control District Requirements</i> , by Herbert L. Harger, May, 1972. Also Published by NAA as Cir. 115
OPERATIONS AND MAINTENANCE	
CPMB 103	<i>A Study of the Economic Factors of Central Mixing in the Production of Ready Mixed Concrete</i> . PMMD, CPMB, 1976.
CPMB 105	<i>Concrete Plant Production</i> , by Robert W. Strehlow, 1973.
Pub. 144	<i>Modern Maintenance Facilities and Procedures</i> , by Joseph E. Carpenter, 1973.
Pub. 145	<i>Relating Concrete Plant Production to Equipment Selection</i> , by Robert W. Strehlow, May, 1974.
Pub. 155	<i>Maintenance Organization for Small Companies</i> , by James A. Zurbrigen and Lawrence W. Schmidt, March, 1978.

Pub. 160	<i>Maintenance Manual</i> , prepared by the NRMCA Equipment Maintenance Committee. Second Edition, 1989.
Pub. 172	<i>Ready Mixed Concrete—plant and Truck Mixer Operations</i> , by James T. Haney and <i>Quality Control</i> , by Rodney A. Meyers, Presented at 1984 Short Course.
STANDARDS AND SPECIFICATIONS	
CPMB 100	<i>Concrete Plant Standards of the CPMB</i> . CPMB, Ninth Revision—January, 1990.
CPMB 101	<i>Bin or Silo Capacity Rating and Method of Computation</i> . CPMB, First Revision 1976.
CPMB 102	<i>Recommended Guide Specifications for Batching Equipment and Control Systems in Concrete Batch Plants</i> . CPMB, 1978. (Limited Stock)
PMMD1	<i>Concrete Plant Mixer Standards of the Plant Mixer Manufacturers Division</i> , Fifth Revision, July, 1977.
TMMB 1	<i>Truck Mixer & Agitator Standards of the Truck Mixer Manufacturers Bureau</i> , Thirteenth Revision (1989).

Pub. 137	<i>Compilation of ASTM Standards Relating to Aggregates and Concrete.</i> Also published by NAA as Cir. 113.	Pub. 154	<i>Outline and Tables for Proportioning Normal Weight Concrete (A Short Course Text),</i> April, 1977. Also published by NAA as Cir. 123.
QC1	<i>SECTION 1 OF Q. C. MANUAL, Quality Control Guide.</i>	Pub. 156	<i>Aggregate Abrasion Resistance, Strength, Toughness, and Related Properties,</i> by R. C. Meininger, reprinted from STP 169B, Published by ASTM, 1978. Also published by NAA as cir. 124
QC2	<i>SECTION 2 OF Q. C. MANUAL, Quality Control Check List.</i>	Pub. 162	<i>Effect of Truck Weights on Performance and Life of City Streets,</i> by Jon A. Epps, March, 1981. Also published by NAA as Cir. 126.
QC3	<i>SECTION 3 OF Q. C. MANUAL, Plant Certification Check List.</i>	Pub. 169	<i>Ordering Quality Concrete for Residential or Commercial Jobs,</i> by R. C. Meininger, reprinted from ACI Journal, September, 1982.
<i>TECHNICAL</i>		Pub. 173	<i>Understanding Chloride Percentages,</i> by R. D. Gaynor, 1985. Also published as Cir. 130.
Pub. 147	<i>One Look at Concrete Compressive Strength,</i> by R. D. Gaynor, November, 1974.	Pub. 175	<i>No-Fines Pervious Concrete for Paving,</i> by R. C. Meininger, authorized reprint from ACI Journal, August, 1988.
Pub. 148	<i>Mixing Concrete in Truck Mixer,</i> by R. D. Gaynor and J. I. Mullarky, January, 1975.		
Pub.150	<i>A System for 100% Recycling of Returned Concrete: Equipment, Procedures and Effects on Product Quality,</i> by Herbert L. Harger, March, 1975.		
Pub. 153	<i>Concrete Core Strength—The Effect of Length to Diameter Ratio,</i> by R. C. Meininger, F. T. Wagner, and K. W. Hall, reprinted from ASTM Journal of Testing and Evaluation, May, 1977.
