Purpose: This paper is aim to report the effects of Takchabojoongikkitang-gamibang (澤車補中益氣湯加味方) on the chronic relapsing cystitis.

Methods: Three women who had different age 27 years old , 28 years old and 51 years old women, who diagnosed chronic relapsing cystitis, were enrolled in this study. They received oriental treatments such as herbal medicine, acupuncture for several months. The 27 years old women we gave her Takchabojoongikkitang-gamibang 3 times for 3 months. The 28 years old women we gave her Takchabojoongikkitang-gamibang 2 times for 2 months. The 51 years old women we gave her Takchabojoongikkitang-gamibang 5 times for 3 months. During the treatments, we requested them to visit hospital every two weeks. If they could not come to hospital, we called them to take follow-up.

Results: After the treatments, symptoms of chronic relapsing cystitis were decreased or disappeared.

Conclusion: This clinical cases indicate that Takchabojoongikkitang-gamibang is effective in treatment of the chronic relapsing cystitis and can prevent chronic progress and relapse of symptoms. More clinical data and studies are requested for the treatment of chronic relapsing cystitis.

Key Words: Takchabojoongikkitang-gamibang, chronic relapsing cystitis, Painful urination, Frequent urination.
