Toxicological Research Vol. 29, No. 2, pp. 129-135 (2013)

The authors regret that there is an error in the first sentence of the method section for ‘LAB and *S. typhimurium* preparation’. The correct text is shown below in bold.

For the LAB, *Lactobacillus acidophilus* **LA1 (KCTC 11906BP)** that was used and orally administered once in a two day in this study was cultured from the CELLBIOTECH Co. Ltd. (Gimpo, Korea).
