## ERRATUM

In the published article “Mechanistic insight into the progressive retinal atrophy disease in dogs via pathway-based genome-wide association analysis. *J Anim Sci Technol*. 2020;62(6):765-76. <https://doi.org/10.5187/jast.2020.62.6.765>,” the acknowledgements have to be modified [1]. The editorial office will report that this amendment is made at the request of the author.

## ACKNOWLEDGEMENTS

This study was supported by 2020 the RDA Fellowship Program of National Institute of Animal Science, Rural Development Administration, Republic of Korea. Some of the progressive retinal atrophy (PRA) samples of dogs were provided by Yoolim Animal Eye Clinic, Seoul, Korea and Jidongbeom Animal Medical Center, Busan, Korea.
