Unfortunately, Grant information has been missed out in the Data availability section of the original article. The corrected Data availability is provided below.

### Data availability

The raw and processed sequencing data reported in this paper have been deposited in NCBI's Gene Expression Omnibus and are accessible through GEO: GSE172392 (<https://www.ncbi.nlm.nih.gov/geo/query/acc.cgi?acc=GSE172392>).

The online version of the original article can be found under Mol. Cells 2021; 44(11): 805-829.
